

Health, Safety & Environmental Policy

OF-POL-02 · ISSUED SEPTEMBER 2026 · REVIEW SEPTEMBER 2027

Our commitment

We protect employees, clients, contractors, visitors, and the public from harm while reducing the environmental impact of our work.

Safe work

We provide information, training, supervision, equipment, PPE, risk assessments, and safe systems of work.

Environment

We manage waste responsibly, use resources carefully, and follow applicable environmental law.

Responsibilities

Everyone must take reasonable care, follow instructions, report hazards and incidents, and stop work where there is a serious immediate risk.
