Part 1 - Policy Statements

01 Health and Safety Policy Introduction

This Health and Safety Policy is in accordance with Section 2 (3) of the Health and Safety at Work Act 1974 and Section 5 of the Management of Health and Safety at Work Regulations 1999. Opus Form Ltd is engaged in the development and supply of concrete flooring services and products in the construction industry. With our head office in London, Opus Form Ltd is ideally located for fast, easy access throughout the UK.

Health and Safety is an integral part of an effective, efficient and profitable organisation. Opus Form Ltd's objective is to create a positive Health and Safety culture where employees, Clients, sub-contractors, visitors and members of the public are not exposed to hazards arising from its activities.

Our primary objectives include:

- The provision and maintenance of safe plant, equipment and safe systems of work.
- The provision of suitable and sufficient information, instruction, training and supervision.
- Providing all necessary safety equipment and protective clothing.
- Ensuring the safe transport, storage, handling and use of hazardous substances.

02 Environmental Policy Statement of Intent

This Environmental Policy Statement is in accordance with the Environmental Protection Act 1990. Protection of the environment is an integral part of the Company's business philosophy.

It is the responsibility of all management to implement this Policy, with particular attention to:

- Conservation of energy and sustainable use of raw materials.
- Environmentally responsible waste management.
- Progressive reduction of the Company's environmental impact.

03 No Smoking Policy

This policy has been developed to protect all employees and visitors from exposure to second hand smoke and to assist compliance with the Health Act 2006. We recognise the right of all employees to work in a smoke-free environment. Smoking is prohibited in all buildings and within vehicles owned or operated by the Company.

Part 2 – Organisation & Responsibilities

01 Company Health and Safety Management Structure

- **Managing Director:** Toby Green
- **Health & Safety Advisor:** To Be Appointed

02 Responsibilities

Managing Director (Toby Green) has overall responsibility for health and safety within the Company, including:

- Assuring adequate funds and resources are available to meet Health and Safety requirements.
- Ensuring systems of work put into place are in accordance with the requirements of all relevant health and safety legislation.
- Monitoring the health and safety performance of the Company.

All Employees and Subcontractors must:

- Take reasonable care for themselves and anyone else who may be affected by their acts or omissions.
 - Co-operate with management in meeting the requirements of the law and company policy.
 - Report all accidents, near misses and misconduct to their immediate supervisor.
-

Part 3 – General Arrangements

01 Employee & Visitor Rules

- Always seek further guidance from your supervisor if you are unsure of any aspect of the work which might affect the safety of yourself or others.
- Do not bring, consume or take alcohol, drugs or any other illegal substances onto Company premises.
- Visitors will be asked to sign in and out and will be accompanied at all times they are on the premises.

02 Contractor Information

Contractors must satisfy Opus Form Ltd that their safety policy, organisation and arrangements comply with all relevant legal requirements. Contractors are obliged to obey safety instructions given to them by the site contact person.

03 Risk Assessment & Training

Risk assessments will be carried out to identify any hazards that could cause harm to employees, visitors or members of the public. Training in health and safety will be provided to all employees, including manual handling, use of personal protective equipment, and use of work equipment.

04 Personal Protective Equipment (PPE) & RPE

Opus Form Ltd will issue suitable PPE to employees. PPE is classed as a last resort control measure. The Company will also issue suitable Respiratory Protective Equipment (RPE) where required. Beards and stubble growth prevent a good fit and facemask type respirators cannot be used in these circumstances.

05 Accidents, Incidents & First Aid

All accidents and incidents, whether they result in an injury or not, must be reported to the Company. Adequate first aid facilities are provided at the workplace dependant on the number of employees and the nature of the work.

06 Construction (Design and Management) Regulations 2015 (CDM)

As a concrete flooring contractor, Opus Form Ltd acknowledges its duties under the CDM Regulations 2015. We will ensure that we possess the necessary skills, knowledge, and experience to carry out our work safely. We will co-operate fully with the Principal Contractor and Principal Designer, adhering to the Construction Phase Plan and ensuring our operatives are properly inducted and supervised.

07 Control of Substances Hazardous to Health (COSHH)

Due to the nature of concrete flooring, our operatives may be exposed to hazardous substances, primarily respirable crystalline silica (RCS) dust and wet cement. Opus Form Ltd complies strictly with the COSHH Regulations 2002 by:

- Conducting specific COSHH risk assessments for concrete cutting, grinding, and pouring.
- Implementing strict exposure controls, including wet-cutting methods, on-tool dust extraction (LEV), and the mandatory use of FFP3 face masks where dust cannot be fully suppressed.
- Mandating the use of waterproof protective clothing and gloves to prevent cement burns and dermatitis during concrete pours.
