01 Policy Statement

Opus Form Ltd is a dedicated concrete flooring contractor. Quality is important to our business because we value our Clients. We provide our Clients with construction services and flooring finishes which meet and exceed their expectations.

We are committed to continuous improvement of the services we provide to each of our clients and have established a Quality Management System to ensure our high standards are consistently met on every site.

02 Systems and Procedures

We have the following systems and procedures in place to support us in our aim of total customer satisfaction and continuous improvement throughout our business operations:

- Gathering and monitoring of Client feedback.
- A structured review is carried out of any Client complaints.
- Selection and performance monitoring of our suppliers and labour agencies.
- Training and development for all our employees and operatives.
- Audits of our internal processes and site operations.
- Measurable quality objectives which reflect our business aims.
- Management reviews of audit results, Client feedback and complaints.
- Our internal procedures are reviewed regularly.

Although the Managing Director has ultimate responsibility for Quality, all employees and subcontractors have a responsibility within their own areas of work to help ensure that Quality is embedded within the whole of the company. Our internal Quality Management System is aligned with the core principles of the ISO 9001 standard.
