Anti-Bribery Policy

MANAGING DIRECTOR Toby Green	ISSUED July 2026	REVIEW DATE July 2027	REFERENCE OF-POL-01
---------------------------------	---------------------	--------------------------	------------------------

01 Our Stance

We don't tolerate bribery or corruption, in any form. Bribery is offering, giving, accepting, or asking for an advantage to get someone to act improperly, and we won't be part of it.

We act professionally, fairly, and with integrity in every business relationship, wherever we operate. We're bound by UK law, including the Bribery Act 2010.

02 Who This Covers

This applies to everyone working for us, at every level: directors, employees, consultants, contractors, agency staff, and anyone else associated with our business.

03 Bribes

No one may offer, give, ask for, or accept a bribe, whether directly or through someone else.

04 Gifts and Hospitality

Don't offer or give a gift or hospitality worth more than £50 each, or £100 total to one person in a financial year, unless the Managing Director approves it in writing.

Don't accept a gift or hospitality worth more than £50, in cash, or where a favour is expected in return.

05 Facilitation Payments and Kickbacks

We don't pay facilitation payments. If your personal safety, or a family member's, is genuinely at risk and a payment can't be avoided, keep it to a minimum, record it, and report it to the Managing Director straight away.

06 Political and Charitable Contributions

We don't donate to political parties or candidates. Charitable giving is fine but can never be used to disguise a bribe, and needs the Managing Director's approval first.

07 Your Responsibilities

Read, understand, and follow this policy. We keep proper financial records and controls, so payments to third parties are always explainable. Nothing goes "off-book".

If you're unsure whether something counts as bribery, or you've been affected by it, tell the Managing Director as soon as possible. We support anyone who raises a genuine concern in good faith.
