Modern Slavery and Illegal Working Statement

MANAGING DIRECTOR Toby Green	ISSUED July 2026	REVIEW DATE July 2027	REFERENCE OF-POL-03

01 Our Stance

We oppose modern slavery and trafficking in everything we do. Our supply chain needs to be clean too.

We're under the £36 million turnover threshold, so this statement is voluntary. But we're publishing it to show we take this seriously.

02 What We Do

We do concrete flooring across the UK. We hire workers, buy materials, and rent equipment for jobs.

We use subcontractors and labour agencies. Construction has real slavery risks. We work to stop that.

03 Our Policy

We won't tolerate slavery, trafficking, or illegal hiring. We deal fairly with everyone.

- Right to Work Verification: we strictly verify the identity and right to work of all our direct employees and contractors before they start with us.
- Software Safeguards: our software portal helps clients verify compliance documents, like CSCS cards, for their operatives, supporting wider industry efforts against illegal working.

04 How We Check

We:

- Evaluate the modern slavery risks of any new major suppliers.
- Expect our suppliers to have suitable anti-slavery and human trafficking policies and processes.
- Reserve the right to end our relationship with suppliers if modern slavery comes to light.

05 Tell Us If You See Something

If you see slavery or illegal hiring in our business or with our suppliers, tell us at admin@opusform.co.uk.

06 We'll Keep It Current

We review this statement when things change in our business or the law.
